Sir,

I have the honour to submit herewith the letter No. of 1932 dated 5-4-32 from the Chairman, Municipal Council Bellary regarding transfer of provision of the Millerpet N School to the Millerpet Day school and to atate as follow

It is reported that one of the four night schools out of the subsidy sanctioned in G.O. No. 1454 Law (Educa dated 29-9-31, then known as the Tank Bund Night school was f transferred to Lalakaman and then to Millerpet for opening a night school there. The school ~~does not seem to thrive well~~ is reported to be working unsat factorily, and the Chairman, Municipal Council proposes to close the

school and to utilise the provision thus set free for employing an additional teacher in the Millerpet Day school. The salary paid to the teacher in charge of the Millerpet night school is Rs. 16 per mensem and the subsidy drawn by the Municipal Council in respect of the school is Rs. 230 per annum. The strength and attendance of the night school are 13 and 5 respectively and do not justify the continuance of the school. The Chairman Municipal Council's proposal to close the night school is supported.

The Chairman Municipal Council, proposes to utilise the provision set free by the closing of the night school for employing an additional teacher in the Millerpet Day school. The Millerpet Day school is reported to have been opened out of the subsidy sanctioned in G.O.No. 1916 Law (Education) dated 2-12-15. The strength and attendance of the school are 78 and 61 respectively. There are already three teachers working in the school and with reference to Rule 71 Madras Educational Rules the existing provision of staff is more than ample. The Chairman Municipal Council's proposal to employ an additional teacher in the Millerpet Day school is therefore not supported.

As there was no sufficie strength to justify the existence of the school it was proposed

to abolish it and as the strength in the Day school increased considerably and necessitated the entertainment of an additic teacher it was proposed to transfer the provision of the Night school to meet the expenditure of the additional teacher. therefore request the Government to accord sanction for the transfer of the provision
